DISABILITY RETIRED PAY.

(NOTE.—*The regulations governing the award of pensions and gratuities to Officers in respect of injuries incurred prior to 1st October*, 1921, *are given in the King's Regulations and Admiralty Instructions*, 1913, *and earlier editions.*)

1. Consequent on the re-transfer to the Admiralty, as from 1st October, 1921, of certain powers and duties assigned to the Ministry of Pensions during the late war, the following scheme of compensation in the form of an addition to retired pay, or in certain cases, in the form of special rates of retired pay, for Officers who are suffering from disabilities (whether due to sickness or to wounds or injuries) which are directly attributable to the conditions of service on or after that date, replaces the compensation (limited to cases of wounds or injuries sustained on duty) previously provided by the regulations of Chapter LII. of King's Regulations and Admiralty Instructions (1913 edition), and similar regulations.

2. Except as referred to in paragraph 3 below, the scheme applies only to Officers placed on the retired list or discharged from the Services on account of sickness or injury which is certified by the Naval Medical authorities to be directly attributable to the conditions of service on or after 1st October, 1921. Cases where the sickness or injury is proved to be attributable to or aggravated by service prior to 1st October, 1921, are dealt with under Ministry of Pensions regulations and/or under the regulations given in Chapter LII, King's Regulations and Admiralty Instructions (1913 edition), and similar regulations, where applicable.

3. In certain special circumstances, however, given in Schedule III., paragraph 6, below, the scheme applies to Officers who may sustain injuries on duty on or after 1st October, 1921, which do not necessitate their retirement or discharge, but no compensation will be payable to such Officers while they remain on the active list or continue in employment.

4. The scheme supersedes, as from 1st October, 1921, the regulations regarding wounds and injury pensions, increases to retiring allowances, and gratuities, laid down in Chapter LII., King's Regulations and Admiralty Instructions (1913 edition), and other similar regulations, and the provision for disability pensions to subordinate Officers laid down in Article 1921. Accordingly no awards of any kind will be made under such regulations in respect of wounds or hurts sustained or contracted subsequently to 30th September, 1921. The issue of hurt certificates to Officers should, however, be continued as at present directed in Article 1419 of the King's Regulations and Admiralty Instructions, in order to facilitate the award of compensation under these new regulations to an Officer on retirement or discharge.

5. Provision is made in the scheme for Officers of the Royal Navy and Royal Marines who may be disabled on duty while seconded to the Royal Air Force.

6. The following regulations apply generally as stated therein and above to Officers of the:—

(i) Active Lists of the Royal Navy and Royal Marines, including Temporary Officers.
(ii) Special Reserve of Engineer Officers, R.N.
(iii) Royal Naval Reserve.
(iv) Royal Naval Volunteer Reserve, including Temporary Officers, when on service for which pay is issued from Naval Funds, and

An Officer in receipt of a permanent pension wounds or injuries may commute the whole or of such Pension at any time, irrespective of subject If he be on the retired list to his being t with a permanent pension, including retired y, of not less than the minimum amounts cified in paragraph 4 (*b*) (ii) or (iii), or if he be on the active list, to his pension, together with the retired pay (if any) for which he would be eligible at the date of his application if retired voluntarily being not less than the same minimum amounts.

An applicant for commutation in receipt of Service retired pay and wounds pension will be required to commute the Pension for wounds first.

Permanent disability retired pay is commutable under the conditions applicable to Service retired pay. Permanent disability additions to Service retired pay are not commutable but for the purpose of determining the amount commutable under para. 4, Service retired pay and permanent disability addition thereto will be aggregated.

4. (a) No Officer will be allowed to commute any portion of his retired pay until he has attained the age of 40, unless he is certified, to the satisfaction of the Admiralty, to be permanently incapable of further active service, and in order to determine whether an Officer is permanently unfit for further service he may be required to undergo a medical survey.

(b) (i) No Officer will be allowed to commute more than half his retired pay if £300 or over.

(ii) No Officer will be allowed to commute so much of his retired pay if between £150 and £300 as would reduce it below £150.

(iii) An Officer whose total retired pay is less than £150 may commute an amount not exceeding £30, provided that the total amount uncommuted is not thereby reduced below £120.

(c) A fee of one per cent. will be charged on the amount awarded provided that such fee shall never be less than £1 1s., nor more than £10 in each case.

5. No Officer will be allowed to commute any portion of his retired pay who is holding or is about to hold any appointment under the Crown the terms of which involve the suspension of his retired pay.

6. If any Officer holds an employment of profit under a Colonial or Foreign Government and is in receipt of retired pay based upon his service prior to commencing such employment under the rules framed under Section 6 of the Superannuation Act, 1887 (Appendix XVI, K.R. & A.I.), the amount which he may commute will be based upon the amount of retired pay for which he will be eligible on ceasing such employment, provided the retired pay of which he is in receipt admits.

7. An Officer desirous of commuting a part of his retired pay must make application on the prescribed application form which can be obtained from the Secretary of the Admiralty. An application shall be deemed to be made as on the date on which the prescribed form duly completed is received at the Admiralty during the hours of public business, but not before the date from which payment of retired pay actually commences.

An Officer who has been adjudicated bankrupt or has had a Receiving Order made against him or is indebted to public funds, must disclose the facts and circumstances at the time of his application.

8. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Commutation Board, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board and the Treasury.

9. The Commutation Board will require him to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination at the Office of the Board, 19, Old Jewry, London, E.C.2. Officers living in Scotland Northern Ireland or the Irish Free State, may, if they so desire and if the Pensions Commutation Board see fit, be permitted to be examined by the Board's Medical Advisers in Edinburgh, Belfast or Dublin respectively. Officers who are engaged in exceptionally hazardous occupations are liable to be debarred from commutation.

Officers resident abroad who desire to be exempted from personal attendance may apply to the Commutation Board accordingly, stating their reasons for making the request; and their applications will be submitted to the Lords Commissioners of His Majesty's Treasury, whose decision in the case will be final. They may be allowed to commute as a privilege provided that suitable arrangements for medical examination, &c., can

The applicant will, however, have the option of withdrawing his application on the payment of a fee of £2 within 30 days after the date of despatch of the Notice of Award, but, in exceptional circumstances or where the distance is so great as to make it impossible for a reply by post to be received within 30 days, the time may be extended to such a period as the Treasury directs. If the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury, and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

13. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the cases of persons reported for neglect or desertion of family; of persons under stoppage of Pension by Bankruptcy Orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

15. Retired pay or pension commuted in whole or part is finally surrendered, in the same way that the amount received in commutation becomes the absolute property of the Officer commuting. The basis of assessing present value covers the possibility of the Officer outliving the given number of years' purchase as well of his predeceasing it.

16. The Widows of Officers who commute will be granted Pensions according to the usual scale, provided :—

(*a*) That they married before date of commutation.

(*b*) That their husbands' names were on the List of the Navy at the time of death.

(*c*) That they are otherwise eligible for Pensions.

17. The Children of Officers who commute will be granted Children's Allowances according to the usual scale, provided :—

(*a*) That they were born before date of commutation.

(*b*) That their fathers' names were on the List of the Navy at the time of death.

(*c*) That they are otherwise eligible for Children's Allowances.

18. The Pensions to Widows of Officers who marry after commutation, and the Allowances to children born after commutation will be reduced in proportion to the decrease caused in the retired pay of the Officer by such commutation.

19. The claims of Officers to be awarded Naval, or Greenwich Hospital Pensions will not be affected by their having commuted their Pensions, provided their names are on the List of the Navy.

20. Officers who have already commuted the whole of their retired pay should report themselves by letter annually, on or shortly after the 1st January, to the Secretary of the Admiralty, or to the Adjutant General, Royal Marines (for R.M. Officers) in order to ensure that their names are retained in the Navy List.

21. During a time of war an Officer who is employed on active service or is eligible for such employment will not be permitted to commute retired pay or wounds pension.

5. In cases in which the deaths of Officers are not certified by the competent medical authority to be attributable to the conditions of service, pensions not exceeding the ordinary rate laid down in Clause 1 of these regulations may be granted to widows of Officers other than temporary Officers on the active or retired list of the Royal Navy and Royal Marines at the time of their death, and of permanent Officers of the Coast Guard (not being pensioned ratings), including the Cruiser Service, provided that the total income of the widow be not thereby brought up to an annual sum in excess of the limit laid down in respect of the rank held by her husband at the date of death, in the confidential scale fixed by the Admiralty from time to time. In cases where the total income of the widow would exceed the limit laid down, if a pension at the full ordinary rate were awarded, the Admiralty may, at their discretion, award a reduced pension, but with effect from a date not earlier than the 1st January, 1924. The pension of a widow whose private income increases or decreases, after her pension has been awarded, shall be adjusted or suspended, as may be necessary, and may be increased, or reduced, or restored at the same, or a greater, or a lesser rate, according to the manner and extent to which her income may vary from time to time.

Except where the officer dies in such circumstances as would render his widow eligible for a pension at the attributable rate, a pension shall not be granted to a widow :—

(a) If her husband shall have married her after he reached the age of 60.

(b) If she was more than 25 years younger than her late husband, except in the case of a widow already married to an Officer on the list on 25th June, 1925.

(*c*) If her husband, being capable of service, should have been excused at his own request from serving when called upon, provided that he had been officially warned that his widow would thereby forfeit the pension.

(*d*) If her husband should have died in the service of a foreign state, unless serving with the permission of the Admiralty.

(*e*) If she had not been married for 12 months to the Officer deceased, unless it be shown that such Officer was manifestly in good health at the date of his marriage, and that his death was not due to injury or disease arising from his misconduct or from any cause within his own control.

(*f*) In the case of Officers who retired after the 10th November, 1886, or Officers retired before that date whose widows are not eligible for pensions under the regulations existing before the 25th June, 1925, if the marriage took place after the Officer was removed from the Active List.

If, however, the Officer was subsequently to his marriage, or at the time of his marriage, re-employed in time of war or emergency, a pension may be awarded to the widow: provided that such re-employment occurred before the 17th December, 1929, and subject to the other conditions laid down in these regulations.

(*g*) If her husband retires with a gratuity on or after the 25th June, 1925, or if he retired with a gratuity only under the provisions of Order in Council of 14th July, 1922, or, being a Medical or a Dental Officer, or a Royal Marine Officer, retired or withdrew with a gratuity prior to 25th June, 1925.

(*h*) Unless her husband shall have had—

(i) In the case of Chaplains already on the list on the 25th June, 1925, if they are still on the list at the time of their death, three years' service on full pay, of which one year must have been subsequent to the marriage, provided the widow is otherwise qualified.

(ii) In the case of Officers promoted after service as ratings in the Royal Navy, or in the ranks of the Royal Marines, 12 months' service in Warrant or Acting Warrant, or in the higher rank, or in the case of pensioners who were granted temporary Acting Warrant rank during the Great War, 12 months' service in such rank.

(iii) In the case of other Officers, including Chaplains, where the conditions under (i) are not satisfied, 10 years' seniority on the Active List in commissioned or warrant rank, or in commissioned and warrant rank combined, or in the case of Officers who retired before the 10th November, 1886, and whose widows are eligible for pensions under the regulations existing before the 25th June, 1925, 10 years' seniority as Commissioned Officers either on the active, reserved, or retired lists combined. Should an Officer already on the list and already married on the 25th June, 1925, have five years' seniority or more on the active list, have been in good health when he married, and it be clearly shown that his death was not due to injury or disease arising from his misconduct or from any causes within his own control, the Admiralty may award pensions in such cases as they may think proper.

6. The widow of an Officer placed on the retired or pension list, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years' service counting towards retirement or pension may, at the discretion of the Admiralty, be granted a pension if she is otherwise eligible, provided that a deduction of not less than 10 per cent. shall have been made from the retired pay or pension to which, but for his misconduct, the Officer would have been entitled. In such cases, the widow's pension shall be reduced by not less than half the percentage by which her husband's retired pay or pension has been reduced.

7. The widow of an Officer placed on the Half-Pay or on the retired or pension list for misconduct, before the 2nd August, 1910, shall be eligible for a pension.

8. The pension of a widow who re-marries shall be suspended from the date following that of her re-marriage, but, in the event of her again becoming a widow, her pension may, at the discretion of the Admiralty, be restored for such time as she remains a widow, provided that she is otherwise eligible, and that her pecuniary circumstances are such, in the opinion of the Admiralty, to justify such award. Should she become eligible by re-marriage for a pension at a different rate, she may receive that which is more to her advantage.

ALLOWANCES TO CHILDREN.

9. Allowances to the legitimate children of deceased Officers may be granted at the discretion of the Admiralty at the following rates, provided it be shown that the children have no other allowance, pension, or provision from the public on account of the Officer's services, and that in cases where the Officer died in circumstances which would entitle the widow to a pension at the ordinary rate, their pecuniary circumstances and those of their family are, in the opinion of the Admiralty, so limited that they actually require assistance.

ALLOWANCES TO OTHER DEPENDANTS.

15. (1) If an Officer dies in circumstances
which would have qualified his widow, or child, had
he been married, for a pension or allowance at the
attributable rate, his parent or parents may be
granted an annual allowance subject to such
conditions as the Admiralty may determine,
provided that:—

(a) the Officer did not leave a widow, or a child eligible for an allowance, under these regulations;

(b) the parent or parents are in pecuniary need;

(c) either the parent or parents were largely dependent on the Officer at the time of his death, or the father is deceased or incapable of self-support through age or infirmity.

(2) The rate of allowance shall be at the discretion of the Admiralty but shall not exceed:—

(4) An allowance shall cease on the re-marriage of the grantee.

BROTHERS AND SISTERS.

16. Similarly, brothers and sisters of an Officer who died in circumstances which would have rendered his widow, had he been married, eligible for pension at the attributable rate may, collectively, be granted an annual allowance of such amount as the Admiralty may decide but not exceeding half the pension the widow would have received, and not exceeding £24 (or £18 if the deceased was a Warrant Officer) for any one brother or sister, provided—

(i) That the Officer did not leave a widow, legitimate child, or parent;

(ii) That the brothers and sisters were largely dependent on the Officer at the time of his death; and

(iii) That their pecuniary and other circumstances are such as, in the opinion of the Admiralty, justify the grant.

Allowances granted to the brothers and sisters of Officers shall be subject to the same age limits and rules as to continuance and cessation as those laid down for the allowances of Officers' children, except that the grant will not be continued beyond the normal ages, unless in cases of mental or bodily infirmity.

GENERAL.

17. A pension or allowance to the widow or other relative of a deceased Officer shall not be claimed as a right. It shall not be granted when the applicant is shown to be unworthy of the public bounty, nor unless the Officer's service has been such as, in the opinion of the Admiralty, to justify the award. It may, at the discretion of the Admiralty, be discontinued in the event of any misconduct rendering the recipient unworthy of such bounty. If the applicant is granted any other pension or allowance from the public on account of the Officer's services, whether in the Royal Navy, Royal Marines, or in any other capacity, the grant permissible under these regulations shall be reduced by the amount of such pension or allowance, but this restriction does not apply to pensions from the Civil List. In the event of an Officer acquiring foreign nationality, any pension or allowances which might otherwise be payable to his widow shall be liable to forfeiture.

18. Subject to any exception which the Admiralty may approve in a particular case, a pension will not be granted to a widow who was living apart from her husband at the time of his death. Any pension so granted will be at such rate within the scales laid down in this Order and subject to such conditions as the Admiralty may determine.

23. If an Officer, Commissioned Officer from warrant rank or Warrant Officer who has been seconded to the Royal Air Force and paid at Royal Air Force rates of pay dies of wounds, injuries or disease directly attributable to the conditions of service in the Royal Air Force, his widow, children or other dependent relatives shall be dealt with as under the Royal Air Force regulations appropriate to his rank in that Force, or under Naval regulations appropriate to his Naval rank, whichever would be more to their advantage, subject to the condition that such award, if made as under the Royal Air Force regulations, shall not exceed that which might have been made had the Officer died on the date of his ceasing to draw full pay in the Royal Air Force.

C. General Rules governing Disability Pensions.

1. The foregoing scales of compensation for attributable and non-attributable disabilities will be subject to reduction, at the discretion of the Admiralty, in the event of the cost of living falling considerably as compared with the standard cost which prevailed when these scales were established. Such reduction, if made, will apply to all pensions assessed thereunder which are being drawn at the date of reduction, as well as to future grants.

2. If any person, on being invalided from the Service, is suffering from two separate and distinct disabilities, and is eligible in respect of one of them for a grant under the Regulations of the Ministry of Pensions, and in respect of the other for a grant under these Regulations, only one grant will be made in respect of both. This grant will be assessed partly under the Regulations of the Ministry of Pensions, and partly under these Regulations. When the invaliding disability is attributable to the Service the grant will be assessed according to the proportion which the percentage of the peace and the war disability, respectively, bears to the sum of the two percentages added together; the assessment under these regulations being so regulated, however, as to ensure that the total grant made shall not be more than the person would receive if the two disabilities were dealt with as one combined disability under the Regulations of the Ministry of Pensions, nor less than he would receive if they were so dealt with under these regulations.

3. Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these regulations, and where he receives compensation from or on behalf of a third party for the act, omission or circumstances which caused the injury, any such compensation may be taken into consideration in assessing any pension or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment it may be taken into consideration and the assessment may be amended or cancelled accordingly.

If, in the opinion of the Admiralty, a seaman or marine either unreasonably refuses to prefer a claim for compensation against the third party or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded to or in respect of the man under these Regulations may be withheld or reduced at the discretion of the Admiralty.

4. When the cause of invaliding is due to negligence or misconduct on the part of the man, or to his want of proper care, pension or gratuity may be withheld, or awarded at such reduced rate as may be thought fit.

5. It is a necessary condition in order that a man may be qualified for the award of a pension (service element) on being invalided that he has re-engaged to complete time for Long Service Pension (or to complete 21 years' service in the case of a Royal Marine) or that there is a reasonable presumption that he intended to complete the full period of service but was prevented by the invaliding from doing so.

6. Continuous Service ratings of the Royal Navy who entered prior to 1st October, 1921, under regulations which conferred a claim to a life pension, if invalided, after 10 years of service on the continuous service system, may be granted 1*s.* a day service element) for life.

IV.—Greenwich Hospital Pensions and Benefits.

A. Age Pensions.

1. The increased pension of 9*d.* a day (£3 8*s.* a quarter) will not be granted to men who entered or (after a break in service) re-entered the Service after the 3rd October, 1925; for the purpose of this provision, however, the date of transfer of, or resumption of former engagement by, the men enumerated in the Note at the end of paragraph 3 of Section II will not be regarded as debarring them from the increased age pension provided they are otherwise eligible.

(*a*) Seamen and Royal Marines who are in receipt of naval pensions for life (other than deferred marine pensions), and are qualified by age, may be granted, at the discretion of the Admiralty, an age pension at the appropriate rate as from 1st April, 1919, or from the date on which the qualifying age is attained, whichever may be the later. Claims to arrears in respect of any period prior to 1st April, 1919, will not be admitted, notwithstanding apparent eligibility; all awards previous to that date having been made by selection according to the funds then available.

(*b*) These pensions are only for those who have served as seamen or marines, except in the cases of Yard craft personnel and Riggers on the Wages List, who are specially provided for in sub-clause (*f*).

(*c*) Greenwich age pensions may be drawn by men residing in British possessions abroad.

(*d*) The Greenwich age pension shall not be awarded to any man whose general conduct in the Service was inferior to "Good," or whose character and conduct since his discharge shall be considered by the Admiralty to be bad or indifferent.

(*e*) All applications for Greenwich age pensions shall be made to the Secretary of the Admiralty, London, S.W.1.

(*f*) Yard craft personnel and Riggers on the Wages List, who have been granted civil superannuation, as well as those who have been granted naval pensions, or who have been pensioned under the old Dockyard Regulations, are eligible for the Greenwich Hospital Age Pension of 5*d.* a day (£1 18*s.* a quarter) and, provided they did not (or (after a break in service) re-enter the Service after the 3rd October, 1925, for the increased pension of 9*d.* a day (£3 8*s.* a quarter). Riggers are not entitled to these pensions, nor have been eligible for the benefits of Greenwich Hospital.

2. The under-mentioned persons shall be considered eligible for the benefits of Greenwich Hospital if infirm or helpless, or permanently or temporarily unable to maintain themselves:—

Class II.—All seamen and marines who have served with good characters for 12 years continuously, or with short intervals.

Class V.—Seamen and marines whose cases may be considered special and exceptional, not coming within the above-mentioned classes.

3. In exceptional circumstances, compassionate allowances may, at the discretion of the Admiralty, be granted to such children even though the widow herself is ineligible for the award of a pension under the Regulation. (As regards the children of Sergeant-Majors, R.M., see clause 14A.)

18. If the mother is living, compassionate allowances under paragraph 17 will be at the rate of 5*s.* a week for each child. The corresponding rate for motherless children will be 10*s.* a week.

19. These allowances will not, as a rule, be paid to or in respect of children over the age of 16. At the discretion of the Admiralty, however, they may be granted or continued after that age in the case of a child who is an apprentice receiving not more than nominal wages or who is being educated at a secondary school, technical school or university

20. They may also be granted or continued between the ages of 16 and 21 in the case of a child incapable through mental or bodily infirmity of earning a living, provided the infirmity existed before the child attained the age of 16.

21. If pension to a widow be [illegible] discontinued on grounds of [illegible] children, if otherwise eligible for [illegible] allowance and if removed from her [illegible] at the discretion of the Admiralty be granted allowance at the rate appropriate to [illegible] children.

(1) That the Seaman or Marine did not leave a widow, legitimate child, or parent ;

(2) That the brothers and sisters were largely dependent on the deceased Seaman or Marine at the time of his death ; and

(3) That their pecuniary and other circumstances are such as, in the opinion of the Admiralty, would justify the grant.

28. ) Executive Officers, who have at least years' service in a ship of war at sea as enant, are qualified as Gunnery or edo Lieutenant and have been employed a in that capacity for not less than one

(b) Engineer Officers who have at least e years' service in a ship of war at sea in utenant's rank.

(c) Royal Marine Officers who have passed the Naval Gunnery Instructor's ourse in H.M.S. "Excellent" and have en employed as Gunnery Instructor, or d) passed the advanced course at the ilitary College of Science.

ficers will be considered for appointment up age of 37. (Note: This limit is temporarily eyance.)

*Conditions of Service, Training and Pro*on.—Officers will be on probation for two years n the date of appointment, or for such period eeding two years as may be necessary owing to a firmed appointment not being available.

If at any time during the probationary period officer is found to be unsuitable, he will revert sea service or corps duty.

During the probationary period, officers will llowed the option of reverting to sea service or rps duty after they have had sufficient time to find out by actual experience whether they are ted for the work.

The period of probation will be spent under training as follows:—The first year's training will be under the direction of the Inspector of Naval Ordnance, Woolwich, including inspection, visits to Cordite Factory, Ordnance Factory, shell and steel makers' works and the Research Department. During the second year they will join the R.N. College, Greenwich, for a course lasting about eight months in metallurgy and chemistry, the instruction in the latter relating principally to explosives, propellants and metals. During this period, visits will be arranged, as requisite, to the Research Department at Woolwich, and other similar establishments.

Officers who, at the end of the probationary period, are finally selected for permanent appointment under the scheme will not be eligible to revert to sea service or corps duty.

Officers will be interchangeable, so far as efficiency permits, between the various branches, though it is contemplated that some will display special capacity and preference for a particular branch, and it may prove to the advantage of the Service to allow such officers to devote a large proportion of their service to that branch.

In order to give opportunity for judging the relative suitability of officers for the various types of work, for the first eight years after the completion of the probationary period, officers will normally be appointed for terms of two years only. Endeavour will be made to give each officer one period in the Design and Research Departments, though the number of posts available will not permit this to be done in all cases.

Appointment to the senior posts and higher posts (paragraph 4) will be in vacancies, and will be made solely by selection.

After the initial ten years mentioned above, all appointments will be normally for four years.

NOTE.—

(*a*) The number of posts permits of a proportion of officers only obtaining higher posts. An officer may hold one of the higher posts more than once, but only in exceptional circumstances will he hold one more than twice.

(*b*) The duration of all appointments will be subject to the exigencies of the Service, and while, in normal circumstances, the duration will be as given above, appointments may be curtailed or extended at the discretion of the Admiralty.

(*c*) Officers who hold Group (*c*) and Group (*d*) posts (paragraph 4) will not be eligible for further promotion under the scheme after they have attained the ages of 52 and 47 years, respectively.

Exceptions to this rule may be made at Admiralty discretion in the case of officers who already held confirmed appointments on 21st November, 1929, in posts covered by the scheme, each case being considered on its merits. The Admiralty may make exceptions otherwise in very special cases where it is considered necessary in the interests of the Service to do so.

(*d*) Officers subject to this scheme will not be borne on ships' books or included in Vote A, either during the probationary period or after. While still on the Active List, they will be supernumerary to the establishments of officers of their particular ranks.

3. *Rank, etc.*—The Naval rank corresponding to each post is prescribed in paragraph 4. Precedence and control within the departments is determined by the post held.

Officers are to wear uniform only when serving with officers of the Navy, Army or Air Force wearing uniform, or when otherwise required.

The uniform worn is to be that of the rank corresponding to the post (*see* paragraph 4).

The special grant of steps in rank after retirement (*see* paragraph 13) will be limited to what is required to give an officer the rank corresponding to his grade (*see* paragraph 4).

A Lieutenant-Commander occupying a group (*d*) post on retirement will remain a Lieutenant-Commander unless he is eligible for higher rank under the ordinary general Naval rules in force.

Active service officers appointed to any of the posts in the ensuing paragraph, who do not already hold the rank appropriate thereto, will be given acting rank, as necessary, until placed on the Retired List.

None of the above conditions affects the pay of the officers in question while employed, which is dealt with in paragraph 4.

6. *Counting of service for increase of retired pay.*—All time in respect of which salary is drawn will count as full time for increase of retired pay. Time in respect of which unemployed pay or half pay is drawn will, in the case of officers on the Active List, count in the same manner as for officers on the general Active List, and in the case of retired officers be ignored.

11. *Retirement from the Active List and retired pay.*—Officers on the Active List serving in any of these appointments, if not previously retired at their own request or otherwise, will be placed on the Retired List as soon as they become qualified for the maximum rate of retired pay laid down for their rank or upon reaching the age for compulsory retirement under the regulations applicable to officers on the general Active List, whichever is the earlier, but such retirement will not necessitate termination of their employment.

Officers whose employment under this scheme (otherwise than on probation) is finally terminated for any cause while on the Active List will be placed on the Retired List at once with the rate of retired pay for which they are eligible under the regulations applicable to officers retired from the general Active List. Officers whose services are finally terminated under paragraph 10, either after two consecutive years of unemployment, or on account of unsatisfactory performance of their duties, or on account of unsuitability, will be granted the retired pay prescribed for retirement from the general Active List for non-service.

12. *Addition to retired pay of retired officers whose employment is finally terminated after retirement from the Active List.*—Officers whose employment is finally terminated after their retirement from the Active List may be granted, in addition to the retired pay earned by their service prior to retirement, an increase in retired pay in respect of their subsequent service calculated, irrespective of the appointment held, under the following regulations :—

I. Except as provided in Clause III below officers whose services are terminated—

(*a*) otherwise than for misconduct after ten or more years' service subsequent to their retirement, or

(*b*) after less than ten years' service subsequent to their retirement either at their own request, or for unsuitability, or for unsatisfactory performance of their duties,

may be granted an addition to retired pay, the rate of which will be calculated at the rate of one-sixtieth of the salary of the appointment held immediately prior to discharge for each complete year of their service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued.

II. Except as provided in Clause III below, officers whose services are terminated otherwise than for misconduct or any of the causes mentioned in Clause I (*b*) of this rule, and after less than ten years' service subsequent to their retirement, may be granted an addition to retired pay, the rate of which will be calculated at the rate of one-fiftieth of the salary of the appointment held immediately prior to discharge for each complete year of service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued, provided, however, that the addition to retired pay shall in no case exceed one-sixth of the salary of the appointment held immediately prior to discharge.

III. An officer who on or after 1st April, 1919, has been retired from the Active List of the Royal Navy or Royal Marines with a special rate of retired pay higher than that permissible under the ordinary regulations applicable to officers on the general Active Lists at the date of retirement for an officer of like age, rank and service, will not, on the final termination of his employment, receive retired pay and addition to retired pay in excess of the greater of the two following sums :—

15. ***Additional retired pay on account of disablement attributable to the conditions of service.***—Officers, whether on the Active or on the Retired List, serving in any of the appointments to which these rules apply, will be eligible at the discretion of the Admiralty for additional retired pay in respect of disability certified by the competent medical authority as attributable to the conditions of service, at the rates and under the conditions applicable from time to time to officers on the general Active List.

16. ***Pensions and other grants to widows and dependant relatives of deceased officers.***—The widows and other dependant relatives of deceased officers, who have served in any of the appointments to which these rules apply, will be eligible, at the discretion of the Admiralty, for the award of pensions or other grants under the regulations from time to time in force for officers of the Navy and Royal Marines, except that—

(*a*) for the purpose of determining the eligibility of any applicant for a pension or other grant, service on the Retired List in an appointment to which these rules apply will be regarded as equivalent to service on the Active List, and

(*d*) An Officer awarded disability retired pay under the provisions of Schedule I, section 3, of the above-mentioned Order-in-Council or under corresponding provisions of any subsequent Order-in-Council, to continue in receipt of such portion of his disability retired pay as the Admiralty may decide to be equivalent to the disability addition which would have remained in issue to him under (*c*) had he been eligible for service retired pay, the remaining portion of his disability retired pay (deemed to be the service element) to be suspended.

Such Officers may also be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List, provided that such step in promotion does not extend to the granting of flag rank or of any equal relative rank. When epaulettes are not worn (*i.e.*, in Frock Coat Dress) a plaited shoulder cord bearing the Royal Cypher takes the place of the right epaulette from which to hang the aiguillette; in white uniform the shoulder strap of rank is used for this purpose,

R.N.R. & R.N.V.R. UNIFORMS.

UNIFORM FOR THE ROYAL NAVAL RESERVE.

The Uniform of Officers of the Royal Naval Reserve is the same as that of Officers of corresponding rank of the Royal Navy with the following exceptions :—

1. Instead of each distinctive stripe of gold lace round the sleeves of the coat there is a stripe formed of two waved lines of gold lace each of one-half the width of that prescribed for Officers of the Royal Navy, one line super-imposed upon the other so that one-eighth inch of blue cloth shows between the curves. (The half stripe, however is a single straight line of one-eighth inch gold lace.)

2. The white turnback and notched hole of white twist for Midshipmen are replaced by a blue turnback and notched hole of blue twist, and the notched hole of white twist for cadets by a notched hole of blue twist.

3. Midshipmen appointed for short periods or under training are not required to wear a sword or dirk, but may wear a sword.

NOTE.—The coloured cloth worn by Non-Executive Officers does not fill the space between the rows of lace, but consists of a narrow stripe.

Officers below the rank of Acting Sub-Lieutenant (confirmed) are not required to provide frock coats.

UNIFORM FOR THE ROYAL NAVAL VOLUNTEER RESERVE.

The Uniform of Officers of the Royal Naval Volunteer Reserve is the same as that of Officers of corresponding rank of the Royal Navy with the following exceptions :—

(2) The edges of the coloured cloth worn by Non-Executive Officers are cut to follow the curves of the lace. Where there is more than one stripe of distinction the coloured cloth fills the space between the stripes.

(3) The white turnback and notched hole of white twist for Midshipmen are replaced by a maroon turnback and hole of maroon twist.

(4) Midshipmen and Probationary Midshipmen wear the Mess Jacket instead of the Round Jacket.

(5) Officers of the Special Branch wear distinction cloth of emerald green.

Chaplains of the Royal Naval Volunteer Reserve when officiating at Naval funerals, Royal Naval Reserve and Royal Naval Volunteer Reserve Military or Royal Air Force Services may wear the scarf authorised to be worn by Chaplains of the Royal Navy with the addition of the letters R.N.V.R. in gold letters, ¾ inch in height, on the badge.

Officers of the Royal Navy and Officers of the Royal Marines attached to the Royal Air Force for service in the Fleet Air Arm wear a badge composed of a silver anchor and cable of silver embroidery surrounded by a laurel wreath of silver embroidery super-imposed on the wings of an Albatross in gold embroidery. The badge is worn continuously during each period of an Officer's attachment. With white uniform a badge with a safety pin attachment is worn.

The badge is worn in the centre of the breast immediately above the circle in the sleeve of the row of distinction lace, so that there is a space of one quarter of an inch between the lowest point of the badge and the uppermost part of the lace. In white uniform, the badge is worn on the left breast pocket, if no medal ribbons are worn, and immediately above the row of medal ribbons are worn. It is not worn on the shoulder strap or on the great coat, waterproof coat.

THE BERTRAND STEWART PRIZE ESSAY

The Bertrand Stewart Prize consists of a sum of £70 devoted annually as a prize for "the best paper on some military subject, the study or discussion of which would tend to increase the efficiency of His Majesty's Services."

The subject of the essay for each year is published in the Army Quarterly and in Admiralty Fleet Orders.

The right to compete is limited to British subjects who have served, or who are actually serving, as Officers or in other ranks or ratings of His Majesty's Forces.

The term "His Majesty's Forces" includes the Navy and the Royal Marines, the Regular Army, The Special Reserve, The Territorial Army, The Militia, and the Royal Air Force, and also the Naval, Military and Air Forces of India, the Dominions and Crown Colonies.

The essays submitted for the prize must not exceed 10,000 words in length; they must be typewritten and submitted in quadruplicate.

The authorship of the essays must be strictly anonymous. Each competitor must adopt a motto and enclose with his essay a sealed envelope with his motto typewritten on the outside and his name and address inside.

The title and page of any published or unpublished work, to which reference is made in any essay or from which extracts are taken must be quoted.

The essays, which are to be addressed to the Editors of the Army Quarterly, must reach the office of the Army Quarterly, 94, Jermyn Street, London, S.W., not later than (date to be published).

The essays will be judged by three referees—two to be appointed by the Army Council, the third to be one of the Editors of the Army Quarterly. The decision of the referees, or of the majority of them, will be final.

The referees are fully empowered if, in their opinion, or in the opinion of the majority of them, no essay submitted to them comes up to a sufficiently high standard of excellence, not to award the prize; or they may, if they consider such a course desirable, divide the prize among two or more competitors.

The result of the competition will be made known in the Army Quarterly, and the prize essay will be published in the Review. In the event however, of there being two or more prize essays, the Editors of the Army Quarterly reserve to themselves the right of deciding which of these essays they will publish.

The copyright of any essay which appears in the Army Quarterly belongs to the Proprietors of the Review.

Neither the Proprietors nor the Editors of the Army Quarterly are to be held responsible for the loss of, or failure to return any essay submitted for the competition, nor do they incur any liability whatsoever in connection with the receipt of the essays, any dealings therewith, the judging thereof, or the reports thereon.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required for Dartmouth Cadets.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official physical examination.

(12) Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has been vaccinated or re-vaccinated during the last five years.

In the event of the rejection on medical grounds of a candidate who would otherwise have been selected for the qualifying examination, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by an Appeal Board. This Appeal Board will consist of the Medical Director General of the Navy, together with a physician, or a surgeon, or a specialist nominated by the Medical Consultative Board according to the nature of the alleged disqualifications or disqualifications.

18*a*. It is undesirable that young officers should have control of considerable sums of money. The pay of Midshipmen is sufficient to enable them to meet their normal current expenses afloat, and it should therefore not be necessary for parents or guardians to make them personal allowances, except as may be required to meet the cost of uniform and of travelling expenses on leave. If the parent or guardian of one of these officers desires that he should have greater means to enable him to visit places of interest whilst serving abroad, he may remit a sum, not exceeding £20 per annum, to the Director of Navy Accounts, to be placed by him under the control of the Captain, to be expended for the purpose stated and at such times as the Captain may approve.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

Medical and Dental Treatment.

21. While at the R.N. College, Cadets may receive free of expense such treatment as can be afforded by the Naval Medical Staff, or in the Sick Quarters, of the College. They are admitted to Naval Hospitals for treatment only in exceptional circumstances. When so admitted, no charge for treatment is made, but the normal College fees continue to be payable. Cadets are not eligible for medical treatment at the public expense whilst on leave.

22. Cadets while at the R.N. College are not eligible to receive dental treatment at the public expense and parents or guardians should arrange for Cadets to receive necessary dental treatment during vacations. Should urgent dental treatment be found necessary during term, the Cadet will be referred to a local civilian dental surgeon, the cost of treatment being defrayed by the parent or guardian.

23. Cadets borne for pay for service afloat (see para. 17) are eligible for medical and dental treatment at the public expense, under the regulations applicable to officers generally.

24. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

25. Any valuable gold watches or chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver watches may be used.

26. Instructions to Cadets joining the College for the first time will be sent by the Commanding Officer. Cadets rejoining the College will be expected to make their own arrangements for doing so.

27. Cadets are to bring their linen clean, and clothes and boots in good order, when they join the College, and also when they return from leave, and the outfit must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

28. Cadets are not permitted to open accounts with tradesmen. Parents or guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

ne period a week during the first seven terms n up to lectures on "special subjects" outside dinary curriculum.

. A Cadet's place in his term is decided by marks for current work and partly by nation at the end of term. After examina- at the end of the eighth term, the ablest are selected to take during their last year, se of study different in some respects from iven to all other Cadets. This group of d Cadets, called the Alpha class, is organised ord greater opportunities for private study er with a limited choice of subjects in which more advanced work may be attempted. in the Alpha class do not take the ordinary in the passing-out examiation except in nship, Navigation and Engineering, but if work in all subjects proves satisfactory they warded First Classes.

Passing Out.

33. The Passing-out examination is representative of all subjects studied at the College, with the exception of Religious Knowledge and the Special Subjects, which do not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

First, Second and Third Classes will be awarded and the class obtained in passing out from the College counts afterwards, towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale :—

For a First Class ... 4 months.
For a Second Class ... 2 months.

The amount of time awarded is subject to revision.

34. The following is a list of the Admiralty prizes for Cadets at Dartmouth :—

35. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty :—

(1) They fail to reach a satisfactory standard, or
(2) Their conduct is unsatisfactory, or
(3) They are unsuitable for the naval service.

36. It is to be distinctly understood that the period of training, including the time spent as a Cadet in a sea-going ship, is a time of probation and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

37. When a Cadet is found to be making insufficient progress a letter is sent to his parent or guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

The form * must be filled up in the candidate's own handwriting and should be returned to the Secretary, Civil Service Commission, as early as possible.

The closing date for applications, usually about two months before the examination, is announced by the Civil Service Commissioners. No applications can be considered after this date except on payment of a special fee of £4 additional to the fee above prescribed. Applications by candidates who pay this additional fee when called upon to do so will be accepted provided they are received not more than 6 days after the closing date.

No question as to the delay or loss in the post of any such application form can be entertained.

Any candidate who has filled up and returned the printed application form, but has not received an acknowledgment of it within four complete days, should at once write to the Secretary, Civil Service Commission. Failure to comply with this provision may deprive the candidate of any claim to consideration.

A separate form of application must be obtained, filled up and duly returned by a candidate in connection with each examination which he wishes to attend.

5. The Candidate will be required to state on application whether he desires to enter the Executive Branch of the Royal Navy, or the Engineering Branch, or if he is prepared to enter either, to state his order of preference.

Candidates who enter the Executive Branch may be required, after passing for the rank of Lieutenant or at an earlier stage, to serve either as general service Officers, or in one of the specialist branches (*e.g.*, Gunnery, Torpedo, Navigation, &c.), or be employed on other special duty. As far as possible, Officers selected for special service will be allowed to choose the branch in which they will qualify, but this is subject to the proviso that all branches are satisfactorily filled, and parents or guardians of candidates must undertake for them that they will be prepared to serve in any branch, if required.

6. Applicants, before being admitted to the examination, must satisfy the Civil Service Commissioners that they are eligible in respect of character and record, and must produce either School Certificate A or School Certificate B, obtained by passing one of the following examinations :—

The School Certificate Examination of the Oxford and Cambridge Schools Examination Board,
The School Certificate Examination of the Oxford Delegacy for local Examinations,
The School Certificate Examinations of the Cambridge Local Examinations Syndicate.
The School Certificate Examination of the University of Bristol,
The School Certificate Examination of the University of Durham,
The General School Examination of the University of London,
The School Certificate Examination of the Northern Universities Joint Matriculation Board,
The School Certificate Examination of the Central Welsh Board.

Provided that in place of School Certificate A or B, a candidate may produce evidence of having passed the Matriculation Examination of London University or any other examination which, in the opinion of the Civil Service Commissioners, is of equivalent or higher standard. Provided further, that a candidate educated in Scotland or Northern Ireland, may, in place of School Certificate A or B, produce a certificate from the Scottish Education

Department or the Ministry of Education for Northern Ireland, showing that he has attained standard equivalent to that of the School Certificate of the Oxford and Cambridge Schools Examination Board; and that a candidate educated in the self-governing Dominions or elsewhere overseas must produce evidence satisfactory to the Civil Service Commissioners of having attained suitable standard.

In exceptional cases, where it has been proved to the satisfaction of the Civil Service Commissioners that a candidate has been prevented by unavoidable causes from obtaining a School Certificate or its equivalent, the Commissioners may, at their discretion, admit the candidate to the examination, provided they are satisfied that his general education is up to the standard required to obtain such certificate.

7. As part of the scheme of examination, all candidates who satisfy the foregoing conditions will be required, irrespective of whether or not they have competed at a previous examination, to present themselves before a Committee which will sit at the Civil Service Commission, Burlington Gardens, London, W.1. For candidates who take the written part of the examination in London or centres near London the interview may precede the written examination; for candidates from more distant centres the interview will usually follow the written part of the examination. The Committee will interview each candidate separately at the rate of about 30 candidates daily. The dates of interview will be communicated to candidates by the Civil Service Commissioners.

Marks will be awarded by the Committee on the results of this interview and the particulars obtained from the candidate's school (or schools) as to his conduct, abilities, past training and general promise of suitability, and no candidate awarded less than 50 marks, the maximum being 400, will be accepted.

All communications regarding this interview must be made to the Secretary, Civil Service Commission.

8. Candidates will also be required, irrespective whether they have been passed fit in connection with a previous examination, to present themselves for medical examination, according to the prescribed regulations, before the Medical Director-General of the Navy or Officer deputed by him, and must be found physically fit for service in the Royal Navy. This examination will be held, as far as possible, on the same occasion as the interview referred to in the preceding paragraph. Candidates must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and they must be in all respects well-developed and active in proportion to their age. No candidate will be entered unless he has been vaccinated and revaccination may also be required if considered necessary.

Details of the physical requirements for candidates are contained in Appendix I.

9. A Medical Board of Appeal has been instituted in cases in which the parent or guardian of a candidate is not satisfied with the result of the Medical Examination. This Appeal Board will consist of the Medical Director-General of the Navy, a physician or a surgeon or a specialist nominated by the Medical Consultative Board, according to the nature of the alleged disqualification or disqualifications.

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Medical Director-General of the Navy, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Director of Navy Accounts.

10. The subjects of examination, with the marks obtainable in each subject, will be found in Appendix II. Any further particulars regarding the examination must be obtained by written application to the Secretary, Civil Service Commission, Burlington Gardens, W.1.

11. A candidate for a Naval Cadetship may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time, without payment of any additional fees, for examination for—

(i) a Paymaster Cadetship
(ii) a First appointment in the Royal Marines;

(iv) a Cadetship in the Royal Indian Navy.

} at the June and November examinations only.

In which case he must express definitely his order of preference.

No candidate may after the last day for application add to his choice of cadetships, and no candidate may after the beginning of the written examination change his statement of preference.

Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines, Army, or Royal Air Force, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly or wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets, and granted the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training :—

(1) The grant of an outfit allowance of 40*l.* on first entry ; and (2) the remission of private allowance.

Application for King's Cadetships should not be made until the results of the Civil Service examination are known, and should then be addressed to the Secretary of the Admiralty.

In cases where the above conditions are fulfilled by Cadets already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

APPENDIX I.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR SPECIAL ENTRY CADETSHIPS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical Examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

Hypermetropia exceeding 5·0 dioptres (under homatropine) in the meridian of greater error will disqualify.

Defects of colour vision do not necessarily disqualify, but the minimum standard acceptable is Grade II (see Medical Research Council, Special Report Series, No. 185, obtainable from H.M. Stationery Office, price 1s.).

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

REGULATIONS FOR THE ENTRY OF SURGEON LIEUTENANTS, R.N., FOR SHORT SERVICE.

(*Entering after the 1st May*, 1934.)

Entry into the Naval Medical Service as Surgeon Lieutenants will in the first instance be on a Short Service basis and appointments will be made under the following regulations:—

(A) QUALIFICATIONS.

1. To be registered under the Medical Act as qualified to practise Medicine and Surgery in Great Britain and Ireland.
2. To be recommended by the Deans of their schools.
3. To produce another certificate of good character.
4. Age—preferably 24-28.
5. The candidate will be interviewed by the Medical Director General, and his physical fitness will be determined by a Board of Naval Medical Officers at the Admiralty.

The Standard of distant vision on entry is not less than Snellen 6/60 in each eye tested separately without glasses, correcting to at least 6/6 in one eye and 6/24 in the other eye with glasses. For near vision candidates must be able to read Snellen D=0·6 with glasses. Squint, deformity, or any chronic disease of the eyes or eyelids, will disqualify. Hypermetropia must not exceed 5·0 dioptres (under homatropine) in the meridian of greater error. The minimum standard of colour vision is Grade II. (See Medical Research Council, Special Report. Series, No. 185: H.M. Stationery Office.)

The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied at the candidate's expense prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

If considered eligible by the Medical Director General, his name will be submitted to the Board of Admiralty for a commission as Surgeon Lieutenant (short service).

Unmarried candidates will be preferred.

Candidates must be British subjects of pure European descent, and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof will rest upon the candidates, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates who possess a foreign as well as British nationality may, in certain cases, be regarded as ineligible for entry as medical officers, R.N. Prospective candidates possessing double nationality are therefore advised to seek an early decision from the Admiralty as to their eligibility for entry.

(B) PAY AND ALLOWANCES.

The full pay, gratuities on withdrawal, allowances, etc., of Surgeon Lieutenants for short Service are contained under those headings in the appropriate sections of this "Appendix."

3. ADVANCE OF PAY.

To be granted 30 days' advance of pay on joining a ship on first appointment.

(C) UNIFORM.

1. Each Surgeon Lieutenant to provide himself with the uniform necessary for dresses Nos. 4, 5 and 7 and if sent to a hot climate that necessary for dresses Nos. 8b and 10 as specified in the uniform Regulations.

2. Towards the provision of necessary uniform each Officer accepted for service will receive an equipment allowance of £50, payable on joining. Officers who fail to serve two years from the date

7. TRANSFER TO PERMANENT LIST.

Officers may be transferred to the permanent list at the discretion of the Admiralty and in determining the number to be transferred regard will be paid by the Admiralty to the number of higher appointments available from time to time for officers on the permanent list. Each officer so transferred will be given a gratuity of £1,000 on completing five years' full pay service from date of entry, excluding civil hospital time, if any, this gratuity will be subject to Income Tax. All recipients of this gratuity are required to render 25 years' service, including seniority granted in respect of civil hospital time, if any; accordingly account has been taken of it in determining the rates of retired pay which may be granted to officers on retirement with less than twenty-five years' service, and also in determining the rates of gratuity which may be granted on retirement to certain officers who retire voluntarily before becoming eligible for retired pay.

8. On transfer to the permanent service Surgeon Lieutenants must provide themselves with the complete outfit of uniform prescribed by the regulations.

9. Promotion is made to the rank of Surgeon Lieutenant Commander after six years, including at least two years' sea service, from date of entry as Surgeon Lieutenant for Short Service (including Civil Hospital time, if any), and promotion to the rank of Surgeon Commander is made after a further six years' service as Surgeon Lieutenant Commander, provided the requisite examination for promotion has been taken and that an aggregate of four years has been served at sea.

The general regulations governing promotion to the above ranks and higher ranks are included in the King's Regulations and Admiralty Instructions.

Promotion to Surgeon Captain (33 in number) and to Surgeon Rear Admiral (6 in number) is by selection.

10. ACCELERATED PROMOTION.

Officers obtaining more than 75 per cent. of marks at the examinations held at the termination of Parts I and II of the Course for Promotion to Surgeon Commander are eligible for accelerated promotion as follows:—

Over 75 per cent. marks	...	12 months.
,, 85 ,, ,,	...	18 ,,

11. SPECIAL PROMOTION.

Special Promotions (limited in number) may be made to the ranks of Surgeon Commander and Surgeon Lieutenant Commander in cases of distinguished service or conspicuous professional merit.

(F) PENSIONS FOR WOUNDS, ETC., AND FOR WIDOWS.

In the event of a Naval Medical Officer being wounded or injured on duty, Gratuities or Pensions would be paid under the Regulations laid down in the Appendix to the Navy List, and in the event of his death from wounds in action, or from some other cause attributable to the Service, his Widow and Children would likewise receive pension and allowances as provided in the Appendix to the Navy List.

Rates of gratuity or retired pay are also laid down (in Appendix to Navy List) for officers invalided from causes not attributable to the Service, or leaving the service for other reasons.

Pensions for widows are granted subject to certain conditions in cases of Officers of over 10 years' service dying from causes not attributable to the service.

(G) COUNTING OF CIVIL HOSPITAL TIME.

The seniority of Officers as Surgeon Lieutenant will normally be determined by the date of their entry, but Officers who held appointments as resident medical or surgical officer in recognised civil hospitals prior to entry into the Service will be granted, at Admiralty discretion, an ante-date of seniority in respect of the time spent in the civil hospital appointment, subject to a maximum of twelve months. Such time will count during the last five years of an Officer's career for the purpose of determining:—

(i) his seniority, and

(ii) his eligibility for increase of pay and for no other purpose, but thereafter, if the Officer be transferred to the permanent list, it will count also as service for the purposes of promotion and retired pay or gratuity on retirement or withdrawal.

Similarly a candidate who holds, or is about to hold, a suitable civil hospital appointment on entry into the Royal Navy may be allowed to serve in such civil appointment, provided that the period of such service after the date of entry does not exceed twelve months. Pay from naval funds will be withheld from Officers while thus serving, but the time will otherwise count as indicated above.

(H) EMERGENCY LIST.

Officers leaving the Active List on completion of their Short Service engagements will be placed on an Emergency List, and will be liable for service in war or emergency during the subsequent four years.

(I) MEDALS AND PRIZES.

Awards and prizes open to Naval Medical Officers are the Gilbert Blane Medal, the Chadwick Naval Prize, the North Persian Forces Memorial Medal, and the Parkes Memorial Prize.

(J) NOTES ON POST-GRADUATE INSTRUCTION IN THE NAVAL MEDICAL SERVICE.

Course for Promotion to Surgeon Commander.

This course of five months' duration, which is compulsory, will be taken by Officers of the rank of Lieutenant Commander. Three months of the course are spent at the London Hospital in Medicine and Surgery and two months at the Naval Medical School, Royal Naval College, Greenwich, in General Hygiene, Naval Hygiene, Pathology, Tropical Diseases and Microbiology.

Specialist Courses and Post-graduate Courses.

These courses are arranged at recognised civil teaching centres for Officers selected for specialist posts, or as general revision courses.

Medical Officers, R.N., are given the opportunity to prepare for and take higher qualifications, e.g. M.D., F.R.C.P., F.R.C.S., D.P.H., D.T.M., etc.

(k) KITCHENER MEDICAL SCHOLARSHIPS.

By arrangement with the Lord Kitchener National Memorial Fund these Scholarships may be awarded to the sons of officers and men or of ex-officers and men of H.M. Forces who desire to take a medical training with a view to obtaining a regular Commission in the Medical Services of the Navy, Army or Air Force.

Since the cost of Scholarships awarded to candidates who enter the Royal Navy is borne by Naval Funds, a sum not exceeding the total value of the Scholarships will be deducted, at the discretion of the Admiralty, from any gratuity which may be payable to a Scholarship holder who fails to serve for 15 years in the Royal Navy; except that no deduction will be made from the gratuity of a Medical Officer who is invalided for a cause certified by the competent Medical Authority to be directly attributable to the conditions of his service.

Full particulars of these Scholarships, with the necessary application forms, can be obtained from:—

The Secretary,
Lord Kitchener National Memorial Fund,

DENTAL OFFICERS, R.N.

(1) QUALIFICATIONS.

(i) Candidates for commissions as Dental Officers in the Royal Navy must be British subjects of pure European descent and the sons of persons who are British subjects at the time of the officer's entry. The burden of clear proof will rest upon the candidate, who, if he is in any doubt should seek the opinion of the Admiralty at the earliest opportunity. (*Note.*—Candidates who possess a foreign, as well as British nationality may, in certain cases, be regarded as ineligible for entry as Dental Officers R.N. They are therefore advised to seek an early decision from the Admiralty as to eligibility.) They must be under 28 years of age on the day of entry, possess the Degree or Licence in Dental Surgery of a British University or recognised Licensing Body, and be registered under the Medical or Dentists' Acts in force in the United Kingdom. Unmarried candidates will be preferred.

(ii) The form of application and declaration, which can be obtained from the Medical Director General of the Navy, must be completed by candidates and forwarded, together with the birth certificate, dental registration certificate and at least one testimonial as to character, etc. (other than from the Dean of the Dental School), to the Medical Director General of the Navy, Admiralty, S.W. 1, as early as possible before the advertised date for closing the list.

(iii) The Dean, or other responsible authority, of the Dental Hospital and School in which the candidate was trained will be requested by the Medical Director General of the Navy to furnish a confidential report as to the candidate's character, conduct, professional ability, and fitness to hold a commission in the Royal Navy.

(iv) If the candidate's application is regarded as satisfactory he will be required to attend at the Admiralty at his own expense for the purpose of being interviewed and for examination by a Board of Naval Medical Officers as to his physical fitness for general service in any part of the world. Selection will be made from the list of approved candidates.

(v) The standard of distant vision on entry is not less than Snellen $\frac{6}{6}$ in each eye tested separately without glasses correcting to at least $\frac{6}{9}$ in one eye and $\frac{6}{12}$ in the other eye with glasses. For near vision, candidates must be able to read Snellen D – 0·6 (Jaeger 2) with glasses. Squint, deformity, or any chronic disease of the eyes or eyelids will disqualify. Hypermetropia must not exceed 5.0 dioptres (under homatropine) in the meridian of greater error. The minimum standard of colour vision is Grade II (see Medical Research Council, Special Report, Series, No. 185, H.M. Stationery Office).

The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied at the candidate's expense prior to entry. The use of artificial dentures, provided they are well fitted, will not necessarily disqualify a candidate otherwise suitable in every other respect.

(2) METHOD OF APPOINTMENT.

(i) Successful candidates will be appointed Surgeon Lieutenants (D) for short service in the first instance and will be subject to the general regulations, etc., as officers on the Permanent List. They will be liable to serve wherever required and to immediate dismissal for misconduct or for any reason considered by the Board of Admiralty to render them unsuitable for retention.

(ii) The commissions will be for a period of 5 years on the Active List, exclusive of any period of seniority in respect of civil hospital appointments (see para. 3). Officers leaving the Active List on the completion of their short service commission will receive a gratuity of £1,000 and will be liable for service in war or declared emergency for the subsequent four years. Officers selected for transfer to the Permanent Service are required to forward an application through the usual channels immediately after completing five years service as short service Officers.

(3) ANTE-DATE IN RESPECT OF CIVIL HOSPITAL APPOINTMENTS.

An ante-date of seniority not exceeding 3 months may be allowed to officers who have held appointments in civil hospitals prior to entry into the Service. Such time will count for purposes of

(*a*) Seniority,
(*b*) Increments of pay, and
(*c*) Promotion to the rank of Lieutenant-Commander (D),

but for no other purpose. If the officer is transferred to the permanent list the above will count also as service for purposes of retirement or gratuity on retirement or withdrawal, and for the gratuity of £1,000 after 6 years.

Similarly, a candidate who, at the time of entry, holds or is about to hold an appointment as Dental Officer in a recognised civil hospital may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed 3 months. The civil hospital time which is allowed to count as indicated above, but for which no Naval Funds will not be allowed during that time.

The suitability of appointments in civil hospitals to count for time will be decided by the Medical Director General of the Navy.

(4) UNIFORM.

Each Surgeon Lieutenant (D) will be required to provide himself with the uniform and dresses Nos. 4, 5, 6 and 7, and if serving in a hot climate, that necessary for dress No. 8, as specified in the Uniform Regulations.

Towards the cost of necessary uniform each Officer accepted for service will receive a uniform allowance of £50, payable on joining. Should he fail to serve two years from the date of entry he will be liable at Admiralty discretion to refund one-fourth of the Outfit Allowance paid him for every six months, or part of six months, by which their service falls short of two years.

Officers selected for permanent service on the completion of their Short Service Commission must complete the outfit of uniform as required by the Regulations.

(5) COURSES OF INSTRUCTION AT SEA.

On entry Dental Officers will be required to pass through courses of instruction in Naval regulations and procedure, anæsthetics, the treatment of personnel, etc., and to undergo such as the Admiralty may decide. 10. A candidate for a Paymaster Cadetship
, if he so desires, and provided he fulfils all the
ssary conditions as to age, etc., present himself
ne same time, *without payment of any additional*
for examination for

(i) A Naval Cadetship (special entry) for executive or engineering; or

*(ii) A First Appointment in the Royal Marines;

*(iii) Admission to the Royal Military Academy, Woolwich, or the Royal Military College, Sandhurst, or Royal Air Force (Cadet) College, Cranwell;

(iv) A Cadetship in the Royal Indian Navy, in which case he must express definitely his order of preference. No candidate may after the last day for application add to his choice of cadetships, and no candidate may after the beginning of the written examination change his statement of preference.

11. Regulations relating to the other Cadetships mentioned above may be obtained on application as follows:—

Naval Cadetships (special entry), from The Secretary of the Admiralty, Whitehall, London, S.W.1.

First Appointments in the Royal Marines from the Adjutant General, Royal Marines, Admiralty, S.W.1.

Admission to the Royal Military Academy or the Royal Military College, from the Under Secretary of State, War Office, London, S.W.1.

Admission to the Royal Air Force (Cadet) College, Cranwell, from The Secretary, Air Ministry, Kingsway, London, W.C. 2.

Cadetship, Royal Indian Navy, from The Under Secretary of State, India Office, Whitehall, London, S.W. 1.

12. Before entry as Paymaster Cadet, a certificate by the school or other responsible authorities must be forwarded to the Secretary of the Admiralty, to the effect that the candidate is able to swim at least 50 yards. A Cadet must also produce on joining a health certificate to the effect that he has not suffered from, or been exposed to, infectious disease during the previous 30 days.

13. Successful candidates will, on receipt of the certificate of ability to swim, be entered as Paymaster Cadets and appointed for 12 months' training as such, two terms of which are spent in H.M.S. Vindictive, the seagoing training cruiser, and the remainder in seagoing ships of the Fleet. Paymaster Cadets will be required to join the training ship in May (if successful at the March examination), in September (if successful at the June examination), or in January (if successful at the November examination). The date of first joining will be notified to the candidates by the Admiralty. Approximately 3 weeks' leave is granted from the training cruiser at Easter 6 weeks during the summer and 4 weeks at Christmas. On completion of their training in the training cruiser such leave as the exigencies of the Service will permit is granted before Paymaster Cadets are appointed to a seagoing ship of the Fleet.

During this period of training Paymaster Cadets are subject to the regulations for the time being in force respecting such Cadets. They will be regarded as on probation, and a Cadet may be required to be withdrawn at any time, if in the opinion of the Admiralty

(i) he fails to reach a satisfactory standard, or

(ii) his conduct is unsatisfactory; or

(iii) he is considered unsuitable for the Naval Service.

At the end of the training in the training cruiser a professional examination is held, on the results of which the order of seniority as Paymaster Midshipman is determined.

14. On completion of the 12 months' training, Paymaster Cadets are rated Paymaster Midshipmen, subject to obtaining a certificate of competency, and from this point come under the ordinary regulations for Naval Officers.

* Only at the June and November examinations

15. Paymaster Cadets will be paid on the following scale :—

When in a training ship, 1s. a day.

When in a seagoing ship, not a training ship, 4s. a day.

During the period in the training ship, parents or guardians are required to make on behalf of a Paymaster Cadet a private allowance at the rate of £36 per annum. This allowance which will be claimed by the Director of Navy Accounts periodically in advance, is utilised to provide or all necessities incidental to the Cadet's training (*e.g.*, purchase of books, &c.) and is in no way a personal allowance to the Cadet himself. Private allowance together with the Cadet's pay, of 1s. a day and the allowance for messing, should normally be sufficient to meet his expenses, other than clothing, travelling expenses and expenses when on leave, but should this not be the case, the deficit which would probably be of small amount, would be chargeable to the parent or guardian.

Private allowance will cease to be payable on a Paymaster Cadet being sent to a seagoing ship of the Fleet.

15a. The Admiralty consider it undesirable that young Officers should have the control of large sums of money, and arrangements can be made for travelling expenses and any money which may be required for any special circumstances to be advanced by the Accountant Officer of the Officer's ship, with the authority of the Commanding Officer, and recovered from the parent or guardian.

16. The parent or guardian of every Paymaster Cadet is required to provide him with an outfit as laid down in the regulations for the time being in force. Certain additional uniform is required on being rated Paymaster Midshipman, and an Officer, on promotion to Acting Paymaster Sub-Lieutenant, is required to provide himself with the uniform of a Commissioned Officer, when a grant of 50*l.* is made towards the cost of uniform, under certain conditions as to refund if the Officer does not remain in the Service. This grant may, at Admiralty discretion, be paid to the Officer's parent or guardian, if a claim is lodged before payment has been made to the Officer.

17. Candidates who are the sons of Officers of the Royal Navy or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within 6 months from the date of such action or injury, or who have performed long and meritorious service, are eligible for selection for nomination as the Service Candidate. Such candidates are required to take the examination prescribed in Appendix II in the same manner as other candidates. The selection of the Service candidate will be made from among eligible candidates who are unsuccessful in the examination but who qualify therein and who are medically fit.

After entry, his place on the list of Paymaster Cadets is, however, governed by the marks obtained in the same way as other Candidates.

Applications to be considered for the Service nomination should be addressed separately to the Secretary of the Admiralty not later than the date on which the application to take the Civil Service examination is forwarded to the Civil Service Commission, as prescribed in paragraph 4. The award of the Service nomination will be notified by the Secretary of the Admiralty.

18. Parents or guardians of Paymaster Cadets must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Cadet's ship.

APPENDIX I.

Physical Requirements for Candidates for Paymaster Cadetships in the Royal Navy.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by their medical adviser of the family, or any other medical practitioner, to whom the following list of defects which cause rejection may be useful for guidance.

Candidates, however, possess a sufficient number of serviceable molars and incisors. The above rules are intended as a general guide, and are necessarily strictly adhered to provided the condition of the teeth is good.

† Dental defects in accepted candidates to be remedied prior to joining at public expense. Parents or guardians will be charged the cost of dental treatment needed during the cadetship.

1. Candidates must have attained the age of 21 years and must not have reached the age of 35 years on the date of entry.

2. Candidates must be British subjects of pure European descent and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof will rest upon the candidate, who, if in any doubt, should seek the opinion of the Admiralty at the earliest opportunity.

9. Probationary Schoolmasters will be reported on by their Commanding Officers eleven months after entry; if these reports are satisfactory, they will be confirmed as Schoolmasters one year from date of entry as Schoolmaster Candidate, with original seniority; if not recommended they will be discharged unless at the discretion of the Admiralty they be allowed the option of a further period of probation not exceeding six months

Part I.

These nominations will be confined to the sons of men who have served in the Royal Navy, Army, Royal Marines, or Royal Air Force, or in civilian employment in Naval Establishments. Generally, nominations will be granted only to the sons of those men who have lost their lives (or earning capacity) on active service in H.M. Forces, or otherwise in the execu- tion of their duty; and to Candidates who have claims on account of the long and faithful service of their parents. In the latter category applications will be admitted only from necessitous Candidates who are either fatherless or are placed at special disadvantage on account of family circumstances. Application for nomination should be made to the Superintendent of the Dockyard in which the Candidate desires to be entered, not later than the 1st January in each year. The Candidates who are recommended for nomination will be required to compete at the Open Competitive Examination in the ordinary way, and the nomina- tions will be awarded by the Admiralty to those recommended Candidates who are placed highest on the examination list in order of merit at the respective Dockyards (excluding those who are successful in the Open Competition). Nominated Candidates will be required to satisfy the conditions in regard to age, physical fitness, &c., laid down for Candidates at the Open Competitive Examinations.

His hearing must be unimpaired; and the sight of both eyes must be sufficiently good for the performance of any work that may be required of him. He will be required to pass a medical examination.

Candidates whose vision can be corrected to normal (6/6) by glasses will not be rejected on the ground of defective eyesight; but such Candidates should bring their glasses with them when pre- senting themselves for medical examination.

The Medical examination of the Successful Candidates will be held as soon as possible after the result of the Educational examination is known.

Candidates will be medically examined at the Naval Recruiting Office, 85, Whitehall, S.W.1, or at a naval port or establishment, or on one of His Majesty's ships, which will be selected by the Admiralty as near as possible to their place of residence. Candidates who have never been vaccinated need not be vaccinated unless they have been in personal contact with a case of small-pox or directly exposed to small-pox in- fection. For these candidates vaccination will be a condition of transfer into an adult grade, and steps will be taken to ensure that vaccination is performed before transfer.

This exception does not apply to Candidates who have been vaccinated in childhood and infancy. Where vaccination or re-vaccination has been performed within the previous 5 years, Candidates should produce evidence to that effect at the medical examination, so as to satisfy the Medical Officer that they are efficiently protected against small-pox.

War increases are at present paid in addition to wages stated.

13. Board Wages may be allowed to Apprentices in special cases of distress, due to the fathers of such Apprentices having been killed in the Naval Service, or in other service under the Admiralty or having died or been rendered unable to contribute sufficiently towards the support of their families through exposure or injuries received while on duty. When granted, board wages will make the total pay up to 10s. a week.

The details of the School Training of Apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary of the Admiralty, or to the Superintendent of one of His Majesty's Dockyards (see par. 1).

N.B.—The foregoing regulations relate primarily to apprenticeships in the shipbuilding, and mechanical and electrical engineering departments of the Dockyards, but will also be adhered to as far as practicable in respect of apprenticeships in the Naval Armament Supply and Naval Works Departments. These regulations will be followed generally; but they are issued for information only and are subject to such modifications as The Lords Commissioners of the Admiralty may from time to time consider desirable.

3. Except as shown in clause 6 service with the Regular Forces, Militia or Special Reserve, will not be allowed to reckon towards the qualifying period, but all service with the Auxiliary Forces, including service qualifying for the Colonial Auxiliary Forces Long Service Medal, will reckon, provided the last 5 years have been served in the R.N.R.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

534. Men holding any of the Ratings or Royal Marine ranks specified as eligible for the Good Conduct Medal in Appendix XVII., Part 1, may be recommended for the award under the following rules :—

2. To entitle a man to a Medal—

(*a*) He must have served for 15 years with continuous "Very Good" character, and with previous character not inferior to "Good," in service reckoning for pension.

NOTE.—Where character during pensionable service has been assessed as "Good" on the 1st December in any year, time reckoning for Medal will not commence until the 1st January following.

(*b*) He must be in possession of the full number of badges which he could have earned during his period of service.

(*c*) He must have been recommended for the award by the Captain of his ship, or by the Commandant of his division, on his service certificate for the three consecutive years immediately preceding *award*. (*See* Clauses 3 and 19.)

(*d*) He must be *provisionally* recommended by the Captain of the ship, or Commandant of the division, in which he is serving at the time of the application as in every rspeect deserving of the award.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character, which under these Regulations will count towards the Medal, and if his character should continue to be Very Good," the Captain of his ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 603, Clause 2, and 606, Clause 4.

4. Desertion will render a man ineligible for the award of a Good Conduct Medal under the ordinary regulations. Reduction to the second class for conduct will similarly disqualify him.

5. The Admiralty will nevertheless consider any recommendation on the ground of display of heroism or gallantry in action or the rendering some special service in time of emergency which may be made on behalf of a man who can show a minimum of 15 years of continuous "Very Good" character, although he may be disqualified for the award of a medal under the ordinary Regulations.

The recommendation should be made by letter submitted through the Commander-in-Chief or Senior Officer, or the Commandant and Adjutant-General, Royal Marines, stating fully the circumstances in which the application is made.

A recommendation for a man who has a record of 18 years' service with continuous "Very Good" character up to and including the date of recommendation will also be considered. Recommendations for these men should be made on form S.218.

For men recommended under this clause the M.G. notations on Service Certificates (see clauses 2 *c*) and 3) are not required.

6. If a man's conduct should not have been satisfactory in the interval between the date on which he is provisionally recommended for the Medal and the date on which the award would finally be due (*see* Clause 19) the Admiralty is to be informed by telegraph and the medal will not be awarded, and, if received in the ship, is to be returned with the authority for payment of gratuity to the Admiralty, and the circumstances explained.

If the presentation of the medal is for any reason delayed beyond the date on which the award is due, and misconduct occurs in the interval, the medal is to be withheld and particulars reported to the Admiralty for decision. Similarly, the authority for payment of the gratuity which accompanies the medal (*see* clause 7) is not to be acted upon unless the decisions arrived at by the Admiralty is to the effect that the medal is to be regarded as awarded and deprived, in which case payment of the gratuity may then be made.

7. For continuous service ratings and Royal Marines, the award of a good conduct medal will carry with it, irrespective of rating, a gratuity of £20, payment of which will be authorised by the Director of Navy Accounts. Men receiving this gratuity will also be eligible to earn an additional allowance, which will be payable in a lump sum with the first payment of pension on discharge, at the rate of £1 for each year of qualifying service with "Very Good" character rendered subsequent to the award or restoration of the medal.

Ratings serving under a non-continuous service engagement will not be eligible for a long service and good conduct gratuity, except that certain Officers' Stewards, Officers' Cooks and Cooks (O), whose pensionable service commenced prior to 1st July, 1934, may become eligible for the gratuity and the additional allowance under the conditions laid down in Appendix XVII, Part 1: qualifying service for the additional allowance will be reckoned from the date of the award of the gratuity, or of the restoration of the medal, whichever is the later.

8. Officers of warrant or higher rank who have been promoted thereto after the award of medal and gratuity will be allowed, on confirmation in rank, to receive payment of any additional allowance that may have been earned up to the date of their promotion. They may also keep and wear the medal.

9. If a man is awarded the character of "Good" instead of "Very Good," after the grant of a medal, the period of service during which the character of "Good" is awarded will not count as qualifying service for the additional allowance, notwithstanding that he may not have been deprived of the medal.

10. If a man is deprived of his medal, he will forfeit the additional allowance already accrued. In the event of the medal being restored before he is pensioned, the amount earned subsequently to the date of restoration only will be awarded.

11. If a man is invalided after having been awarded the medal and gratuity, and before completion of the full time for pension, he will be granted any additional allowance that may have been earned up to the date of his discharge.

12. If a man should die after the award of his medal, any gratuity or additional allowance to which he may be entitled will be paid to his widow, or next-of-kin, if dependent upon him.

13. Any man voluntarily quitting the service after the award of medal and gratuity, and before entitlement to a pension, will forfeit all claim to any additional allowance that may have been earned.

14. In cases where men, who have been discharged to pension, are permitted to re-engage for a further period of service subject to relinquishment of pension, such further service will be allowed to count for purposes of the additional allowance under the usual regulations, provided they are qualified in all respects for this allowance.

15. If the Captain of the ship, or the Commandant of the division, in which the man is serving, should see fit to withhold the required

REGULATIONS FOR HIS MAJESTY'S LEVÉES AT ST. JAMES'S PALACE.

At all Levées, which are usually held at 11.30 a.m., Cards of Admission will be required, whether for Presentation or Attendance, as the numbers at each of these ceremonies are limited.

The following are the rules to be observed :—

Attendances and Presentations.

All Officers of the Royal Navy, Royal Marines or Reserves, of whatever rank, whether on the Active or Retired Lists, will communicate with and obtain their cards from the Private Secretary to the First Lord of the Admiralty. All Civil Officers of the Admiralty will follow the same rule.

A card for attendance may only be issued to an Officer, whether on the Active or Retired list, if he has already been presented and is also making a presentation.

Application for either presentation or attendance should be made when the date of the Levée for which the card is desired has been announced in the press by the Lord Chamberlain, *but not before*. Applications cannot, however, be considered unless they are received at the Admiralty *at least ten days prior to the date of the Levée.*

Occasions on which Officers may be presented by the First Lord of the Admiralty.

2.—On promotion to the rank of Commander, or to corresponding rank in other branches of the Service, and after that on every step.

NOTES.—(1) Secretaries holding higher temporary rank by virtue of appointment as such under Article 290, K.R. & A.I., take relative rank according to their higher temporary rank and actual service in that rank.

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land or Air Forces on shore, nor to any Officer of the Army or Royal Air Force to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedence of Naval and Military Officers in command of His Majesty's Forces:—

(*a*) The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

(*b*) The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency, next after the Bishop and Chief Justice, their own relative rank being determined by the regulations on that subject.

(*c*) The Officer in command of His Majesty's Naval Forces on the Station and the Senior Officer in command of the troops, if below the rank of Colonel, or Lieutenant-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

(1) Officers of the Royal Naval Reserve, and Royal Naval Volunteer Reserve, with the exception of those referred to in Clause 2 below, rank with, but after, Officers of the Royal Navy of corresponding rank in the order here given, *e.g.*, Lieutenants R.N. rank before Lieutenants R.N.R.; Lieutenants R.N.R. before Lieutenants R.N.V.R.; and Lieutenants R.N.V.R. before Sub-Lieutenants R.N., whatever their seniority may be.

(2) Lieutenant-Commanders and Lieutenants R.N.R., holding qualified status (distinguished in the seniority lists in the Navy List by the symbol (*)) rank with Officers of the Royal Navy of corresponding rank according to their dates of seniority.

(3) Officers holding acting rank, rank *immediately* after the Officers holding the same confirmed rank in the same service, *e.g.*, acting Lieutenants R.N rank after Lieutenants R.N. (confirmed), but before Lieutenants R.N.R. (confirmed) (provided the latter are not qualified officers).

(4) Royal Naval Volunteer Reserve Officers other than those referred to in Clause 2 above are not to assume any Naval command or authority whatsoever, unless ordered to do so, by superior Naval Officers. (Art. 191 K.R. & A.I.)
